ABOUT SHEPHERDS OF CARE

MISSION	VISION
Shepherds of Care exists to uplift, support, and advocate for individuals and families affected by cancer by providing financial assistance, resources, and hope while advancing medical research and improving access to life-saving treatment.	Our vision is a future where no individual facing health-related hardships is burdened by preventable financial difficulty, and where compassionate communities unite to fund research, improve outcomes, and ensure dignity, stability, and support throughout every stage of treatment and recovery.

OUR PURPOSE

1	Raising funds to support research
2	Providing financial assistance to patients and their families for treatment-related and other expenses such as housing, food, transportation, and essential living costs, etc.
3	Supporting treatment funds and nonprofit partners that advance healthcare and patient outcomes
4	Educating the public and fostering awareness about the challenges patients and their families face, particularly financial toxicity associated with treatment

	WHY SPONSOR?	Sponsorship connects your organization with a mission centered on compassionate support, patient and family assistance, healthcare outcomes, research, education, and hope.
